PALLADIO 2040 is a semi-cassette folding arm awning with a maximum projection of 410 cm.
 The patented built-in tipping system ensures a tight close of the awning no matter what angle the pitch is set at.
 The cassette style hood protects the fabric from the elements when not in use. The model can be gear or motor operated.
 Frame colours are white and ivory.

Width	Projection	Approx. weight	Blind roller	Class
600 cm	410 cm	95 - 100 kg	∅ 70 mm	2
